

American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the industry as strong and durable equipment that suits the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nationwide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln could provide components, warranty service and machinery for these scrubbers that have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where results and efficiency count. Lately, this particular floor scrubber model has been used by the architects in various construction projects like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location due to the model's high standard of quality and utmost performance level for polishing concrete.
