

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to giving new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like offering items that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills together with their understanding of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both technical support and parts accessible when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines working and ready daily is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work together to make them the leader in the trade.
